# RICCARDO CELLERINO

Before turning Professional in June 2019, I had a handicap of +3. During my amateur career, I have competed in many National and International championships. Being able to do so gave me great experience and has allowed me to play in every type of golf course in many weather conditions. This experience has been further developed when I joined the University of the Highlands & Islands in 2015, where I graduated in Professional Golf BA (Hons) in September 2019.

I have always been passionate about coaching and to be able to help people improve their game is the reason why I do this.

Since I took up the game of golf I fell in love with it and I always want to be as good as I can. I achieved great results as a player and now I help golfers improve their game and get them as close as they can to their potential.

## Playing History

2004/2016: I started playing golf at the age of 10 and I have competed in many Tournaments, (National and International level). During the 4 years at UHI I have been part of the Golf First Team, helping the team to reach the British Universities Finals in 2015/2016 and 2018/2019. I have also played at professional level during my amateur career in various "ALPS TOUR" events in Italy (winning the silver medal (low AM) twice in 2013 "Casinò Sanremo Open" and 2016 "Frassanella Open") I turned Professional straight after the last season at UHI came to an end (June 2019) and I am now a GB&I PGA member.

## Career Highlights

- 3 Holes in One
- Course record holder at Garlenda Golf Club with a score of 63 (9 under)
- 2 x Low Amateur at Alps Tour event
- Competed on Alps Tour and Pro golf Tour
- Turned Professional with a Handicap of +3
